

NORTHILL PARISH COUNCIL

Statement on Civility and Respect

Welcome to this parish council planning meeting. We value the participation of all community members and are committed to maintaining a respectful and inclusive environment. We kindly remind everyone to:

Act with integrity and honesty: Ensure that your contributions are truthful and sincere.

Treat all persons fairly and with respect: Be considerate and courteous to others, regardless of differing opinions or backgrounds.

Discriminatory, offensive, or disrespectful remarks, especially those targeting minorities or any individual, will not be tolerated. Such behaviour undermines the principles of equality and respect that our community upholds.

Let's work together constructively, focusing on the issues at hand, to ensure this meeting is both effective and respectful for all attendees.
